

VISIT US AT ONE OF OUR SHOWS

Home Entertainment and Décor Systems, Inc., also known as H.E.A.D.S., INC. participates in four shows each year in the Raleigh and Greensboro areas. We specialize in both new and used pool tables and game room equipment. Visit our showrooms soon.

The next show coming up will be at the Raleigh North Carolina State Fairgrounds. This will be on September 23rd through September 25th, 2011. This show is presented by Southern Ideal Home Show and features vendors for home improvement and building plus many vendors for home interiors and décor. We set up a game room featuring a special selection of pool table and game room furniture. Make your selections at the show or come into our showrooms and let us help you with your selections. Besides the big items, we carry a large selection of cues, darts, lighting, décor, table tennis, foosball, air hockey, chess and more. Register for our door prize. Our trained staff is here to help you with any question you have.

This will bring us to the Holiday Market for November 4th through November 6th. This show is always the first weekend in November. We set up a game room featuring a pool table, bar and back bar, game table and chairs, pub table and stools, a foosball table, cue rack, spectator chairs, wall décor and, of course, a Christmas tree and decorations! The show is quite festive. There are many vendors with unique Christmas décor and crafts. Plan to attend. You'll be glad you did!

Our company not only sells pool tables and other related game room furniture, but we also do service work. Do you need a table recovered or moved from one room to another or to a different location altogether? Do you need rail cushions replaced on an older table? Do you need your table crated to be moved by a moving company? Are you wanting to sell your table? We buy and sell used tables and equipment through our warehouse showroom called Second Time Around Billiards. We can help.
